Letter of achievement

Applicants to Rysensteen Gymnasium, who can document special international and/or intercultural competences, can be accepted to the school without regards to the distance criteria (km from home address to the school) that is otherwise in existence in Denmark.

The competences can be achieved through longer stays abroad in connection with education or work, but must be documented by statements by a teacher or a member of management at the educational institution or the workplace.

Please note:

The student must have been attending your school for at least 5 months prior to your assessment.

Students are accepted based on their INTERCULTURAL competences, NOT on their academic level.
