

## PROJECT ROUSSEAU

**Summer SAT, US University Application, and Oxbridge Application Intensive**  
**13 July-27 July, 2016**  
**Copenhagen, Denmark**

Have you always dreamed of going to an Ivy League or Top-25 University in the United States? What about Oxford or Cambridge? Getting the right advice and the highest quality instruction is crucial to your success, and we look forward to giving you just that over two weeks in Copenhagen! Here is what you will receive:

**Intensive SAT Preparation:** Project Rousseau, a charity that specializes in SAT Preparation in the United States, will provide you with its intensive SAT Preparation programme. In a two-day miniature programme last year, students improved their SAT scores by an average of 180 points (on the 2,400 scale) in just two days! With the number of total instructional hours you will have at this programme, the average Project Rousseau student improves her/his scores by 530 points (on the 2,400 scale).

**US University Admissions Advising:** If you are applying to enter in Fall 2017, we will guarantee that, no matter where your admissions process stands prior to the programme, you will leave with a complete list of Universities to which you will apply, a full draft of your personal statement, and at least two supplements' essays. You will also have done at least two mock interviews with instructors who interview for their respective universities.

**Oxbridge Admissions Advising:** If you are applying to Oxford or Cambridge in the UK, you will learn the intricacies of the process from Oxford alumni.

**About Your Instructors:** Your instructors have attended Harvard University, Yale University, Columbia University, Georgetown University, Vanderbilt University, and Oxford University. All have extensive experience teaching SAT Preparation and guiding students through the University admissions process.

**Cost of Participation:** Though a similar 10-day program in New York costs \$2,600 for SAT Preparation alone, we are able to offer you this programme at a significantly discounted price:

- 8.250 DKK/ \$1,200 USD- an unparalleled \$11.00 per hour of instruction!
- Only 4,125 DKK/ \$600 USD- a 50% discount!- for Rysensteen students whose families host a Project Rousseau or other international student for both weeks

**Project Rousseau's Social Mission:** Project Rousseau is a charity that serves socioeconomically disadvantaged students in the United States. Your entire fee for this programme will be used to enable our students to participate in the programme.
